

### PIR motion sensor

Person enter in a range Lights/Fan On, leave Off by set timing.  
It active by motion & emits high-frequency electro-magnetic wave ON/FF lighting.

BT31C

BT31W

BT31CS

BT31FC

### Microwave sensor

BT31M

BT31M1

Operating volt : 220~250 VAC/ 50 Hz  
Load Capacity: 1000 Watt  
Lux/time/sensitivity adjustment\*  
Highly durable

BT31S

### Programmable Timers :

Set a time & ON/OFF your appliances  
by timer daily, weekly, hourly or one time.

BT41P

BT41PL

BT41D

BT41F

Load: 1000 Watt

Power supply: 10 Amps 220~250 VAC

BT41F1

### Smoke/LPG Detectors

It's providing safety and security at the  
cheapest rates for home and industries

BT35F1

BT35L1

BT35F

Flash & sound alarm, auto reset  
Sound Level: upto 85dB alarm signal.

### Mobile Control Smart Automation

Controlling your home appliances by using  
Smart Phone (WiFi/iOT) i.e. any where  
Saves a energy in new trendy.

### Other Product:

Automation by Mobile App  
Customize developments.

### Automate your Home with Affordable Pricing Range...

**BT** BlackT  
ElectroTech

[www.blackt.in](http://www.blackt.in)

**BALCKT ELECTROTECH** established in the year 2013 we are having a good qualified technical developing & supporting team. We are close touch with clients to understand their requirements & having a hi-tech functions and ability to update product quality time to time.

### PRODUCTS RANGE:

- Remote Control Switching Solution
- Mobile Control Smart Automation
- Auto Water Level Controllers/ Indicators
- Float Switches
- Motion Sensors/ Photocell / Solar Sensor
- Programmable Timers
- Radar/ Microwave Sensors
- Fire/LPG Detectors

### Remote Control Switching Solution Control your Home Appliances i.e. Lights, fan, ect using Remote.

#### Updated Remote control switch for Lights/Fan

BT16C

Humming less fan speed  
Inbuilt memory/ SMPS base power supply  
Highly durable/ 1000 Watt per point.  
Install inside or outside switch board.  
Note: It available in 4+1 & 8+2

#### Modular Remote Switch with Push Button

**Note:** It can be use  
3 Lights + 1 Fan/ 3+2/6+1/6+2

BT 20

#### Remote control For Ceiling fan/Coolar:

Humming less fan speed  
Inbuilt memory/ SMPS base  
power supply 80~250 VAC  
Compact design

BT19

#### Float switch & Water Level Controller

Use AC & DC both

Available in 2,3,5Mtr's

Load Capacity: 10 Amp

Auto/Manual model

BT21C

#### PIR Motion Sensor With Light Socket ( Night Light)

BT81S1

BT81S

BT61

Solar PIR Motion Sensor  
With Light

BT81D

PIR Motion Sensor  
With Light

BT81U

Night Light with Dual  
USB Ports Power

BT51

PIR Security Sensor  
Alarm with Remote

#### Photocell Sensors

Depend upon Sun Light ON/OFF Outdoor lighting.
